Activity 6 Case Study

Assemble a GRI 2 governance evidence pack

Real use case: CDL sustainability governance

Situation

Draft governance disclosures from verifiable oversight evidence. The learner works only from the cited public report and the controlled teaching dataset; company-specific numbers must not be invented.

Evidence provided

CDL governance page, disclosure checklist and evidence index

Discussion and analysis tasks

1. Map Board, committee, management and operational roles.
2. Identify decision frequency and escalation route.
3. Capture competence, conflicts and remuneration links.
4. Match each claim to terms of reference or minutes.
5. Draft a concise governance disclosure with evidence references.

Deliverable and acceptance

Governance map, evidence index and GRI 2 draft

Every oversight claim names an actor, decision, cadence and evidence record.
